

She's not thinking about how an energy-efficient home will improve the environment for her future.

What matters is that you are.

**Protect the environment.
Buy a home that has earned the ENERGY STAR®.**

Using less energy helps reduce pollution and protect the environment—a lesson we hope your kids will pass on to their kids someday. ENERGY STAR labeled homes not only use less energy, they also provide lower utility bills, increased comfort, and greater durability. Learn more. Visit www.energystar.gov.

**For a list of participating local builders, visit
www.encyvermont.com or call 1-800-893-1997.**

**ENERGY STAR labeled homes meet strict energy efficiency guidelines
set by the US Environmental Protection Agency.**
